

SWE at the University of Nevada Presents: *Evening with Industry 2019*

Overview

The University of Nevada, Reno collegiate section of the Society of Women Engineers is honored to host the 25th annual Evening with Industry celebration and formal networking dinner. Our theme, “Build your Bridge to Success”, is focused on how students and new graduates can impact the future of engineering and technology. This is a wonderful evening for students to have face-to-face interaction with prospective employers, thus, allowing them to expand their personal network and discuss experiences and opportunities in different fields.

Evening with Industry also serves as a recruiting ground for companies, complementing the Spring College of Engineering Career and Internship Fair that is held the same week. Participation in this event will give exposure to your company and your contributions to a wide array of students and attendees in different disciplines, especially women engineering majors.

We strongly encourage you to attend both events.

Date and Location Information

Date: Tuesday, February 12th, 2019

Location: Joe Crowley Student Union, Ballroom, 4th Floor
University of Nevada, Reno
1664 North Virginia Street, Reno, NV 89557
